Sir:

A filing receipt for the above-identified patent application has been issued by the U.S. Patent and Trademark Office (copy attached) and has been found to contain the following error:

The domestic priority data is incorrectly recorded, in part. Specifically, the portion which currently reads:

correcting the above error.

Since the error was made by the U.S. Patent and

if additional fees are due for correcting the filing receipt,  
the Commissioner is hereby authorized to charge them to our
